

Stepping Stones to a Brighter Future

*Pave the way to a strong community with
a personalized brick stepping stone
at the Friendship Children's Center*

Buy a Stepping Stone for Our Children

The Friendship Children's Center (FCC) is offering engraved brick stepping stones to individuals, families, clubs and businesses. This is a great way to memorialize your commitment to our community's littlest learners. By purchasing a stepping stone, you will be paving the way for the next generation of compassionate and active members of our community. To learn more, visit our website – www.friendshipchildren.org.

Why the Stepping Stone Campaign?

A cornerstone of the FCC curriculum is to inspire children to be their best in relationships with each other and in the community. Through the practice of respect, responsibility, compassion and fairness, the children learn to appreciate their own strengths and to recognize the talents of others.

Funds from this campaign will establish and maintain unique community service programs that teach our children to engage in intergenerational activities, work with the less fortunate and participate in programs that support and encourage kindness and caring for others.

Developing these characteristics and awareness will build a lifetime of skills, benefitting and strengthening our children and our community.

Together we will build a stronger community and a brighter future!

The Friendship Children's Center

The Friendship Children's Center is a non-profit organization that has proudly served this neighborhood since 1989. Our mission is to provide high quality early childhood educational experiences to children between the ages of three months and five years. The school provides developmentally appropriate programs and experiences that enhance each child's social, emotional, physical and cognitive growth within an atmosphere of warmth and understanding where children can develop as individuals and as part of a group.
